### 1991 Christmas Concert

# "Now Is The Time"

Now in our 5<sup>th</sup> successful singing season. The Harrisburg Men's Chorus was founded in memory of Joe Tucci, whose dream it was to have a Men's Chorus in Harrisburg. Today, we are a non-profit musical organization comprised of amateur singers whose common bond is to entertain others. Our performance schedule includes two major concerts per year — Spring and Christmas — combined with numerous singing engagements scattered throughout the year. It is our sincere wish that you enjoy this evening's celebration of the Magic of Christmas.

# EVERYTHING YOU DIDN'T WANT TO KNOW ABOUT AIDS. BUT SHOULD.

To start with, you do not have to be gay or a drug user to get it. AIDS has hit these two groups hardest because the AIDS virus hit them first, before anyone knew why or how people should protect themselves from it.

And the virus is spreading. Scientists report that about one and a half million people are already infected.

You cannot tell who has it and who does not. Most people who have the AIDS virus do not even know it. They do not look or feel sick. It can take up to ten years for symptoms to show up. So people who seem perfectly healthy can pass the virus on to others.

**HOW IS IT PASSED ON?** One way is shooting up drugs with someone who is infected and sharing the needle. But most people catch the AIDS virus **THROUGH SEX**. A Woman can catch it from a man. A man can catch it from a man.

Obviously, the surest way to avoid the virus is to avoid sex. If you do have sex, **YOUR BEST PROTECTION IS TO USE A LATEX CONDOM** with spermicide. Use them every time, from start to finish, according to the manufacturer's directions.

You can ignore these precautions only if you and your partner have been together for at least 10 years, and both of you have been totally faithful.

Otherwise, **DON'T MAKE ANY EXCEPTIONS.**

Because the one time you do can be the one time you should not have.

**HELP STOP AIDS. USE A CONDOM.**

# The Capital City 4 Quartet

The Capital City 4 came into being in response to a request for strolling singers to perform at the Unity Festival held at Ski Roundtop in July of this year. About 10 men auditioned for the right combination until this particular group "clicked" — both musically and personally. In addition to a mellow blend of voices and excellent individual musicianship, they also share a dedication to group achievement and a warm and supportive relationship with each other. With a number of "barbershop" quartets available in the area, The Capital City 4 men, at present, have chosen to utilize the more traditional male harmony structure in their singing, and have apparently elicited a responsive chord from their listeners. Following their initial appearance, they have received numerous invitations and have performed at churches, banquets, and private functions, with many more in the future. Members of the distinguished Capital City 4 include: Joseph Weale, Bass; Chuck Atwell, Baritone; Matthew Riley, Tenor II; and Ted Neal, Tenor I.

This year, as in years past, the Harrisburg Men's Chorus finds itself in need of help and financial support from its audience so that it may continue to grow. Like any performing group, the Harrisburg Men's Chorus cannot survive solely on ticket sales. This year, in response to a request from our audience, the Board of Directors of the Chorus voted to increase the amounts of the various categories for financial contributions to the Chorus. The purpose of this Board decision was two-fold: First, it gives our audience the opportunity to stand up and be counted by giving financial support. Secondly, this change enables the Chorus to receive much needed donations and, in return, provide certain benefits to our benefactors. The following is a list, complete with details, of the new types of memberships available with the Harrisburg Men's Chorus.

### **Commonwealth Club Members    \$500 or more**
