Well gang this is your substitute editor writing this newsletter due to the fact our regular editor was unable to do it for lack of time due to her job. I just wish to express a few views that were brought up at the last meeting by those few in attendance and also my own. First of all attendance at meetings has been going down hill in the last several months due to the fact it seems that our members would rather party than meet to discuss problems faced by Gays and how we can help. Those who feel that the Gay life is just one big party better wise up and take a look around them and see whats happening in all parts of this country, some day it will be too late. Speaking for myself and those few who attended the last meeting we have come a long way and no way in hell is anyone going to put us back. So if anyone finds fault with this statement let him or her attend the next meeting and say whats on their mind not just to express ones opinion in a bar, changes cant be made there. If any one would like this job and think they can do better let them speak up or keep their mouths shut.

Discussed at the meeting was the fact that there will be a mass demonstration at the Bloomsburg Fair on Sunday Sept. 24 at 2 P.M. with every one to meet at town park. If you need a ride please call Tom 696-2326.

There will be no party for September due to the fact the Social Director did not attend the meeting so none was planned, the next one will be for Holloween some time in October. (Oct. 28, 7:00 PM, B.Y.O.B., Covered Dish)
Final note is that meetings will be held the last Sunday of the month, Next meeting Sunday ~~Sept. 24~~ ^{OCT. 1}, at 2 P.M. Toms house.
