The writers of tonight's performance are anonymous. They are wise and brave Black Americans who witnessed a dreadfully prejudiced world awaiting their children. And instead of complaining about their plight, they creatively invented a wise Rabbit. Buh Rabbit. Who taught their children wisdom, courage and strength for living the happiest lives possible.

Colin, is a rabbit. He strives to upset the prejudices of people against his sexuality that remains a very foreign and isolated topic to a great many Americans.

Tonight they combine, Rabbit & Colin, to bring you a positive picture of hope in That Rabbit's in Love. Thank you for coming!

Tonight's performance supports the
work of the Gay Switchboard of Harrisburg.
We are an important, positive organization
"for" gay people everywhere.

Harrisburg is a small, but important,
city. We are the capitol of Pennsylvania
and the crossroads of state government.
We want to keep this small voice alive in
Harrisburg.

Please know that your support, tonight,
for Gay Switchboard/Hsbg., does not go without
appreciation from all our members. Throughout
the year, we need your dollars to keep our
operation functioning. But more than that
we need your "positiveness" for gayness. We
are working for liberty.

Thanks for investing the time and dollars
in a rabbit ~~heart~~ with a dream.

Immediatly following the presentation,
you are invited to enjoy rabbit refreshments
in the foyer, just outside.
