# WELCOME ...

Years ago, I had a chance to see my first Broadway play. We saw *Hairspray* from front row seats. It was filled with singing and dancing, and I was thrilled the whole time. I love the theater and, honestly, I'm a frustrated actor. Imagine how I feel when the Chorus asks me to play a small role in a production – elated!

We all love Broadway tunes. Even if you don't know the play it came from, chances are you have a favorite.

Tonight you will be treated to many wonderful songs from Broadway, including new favorites, we hope. These were handpicked by the singers; they are the songs they love to sing. Special care went into creating a New York ambience, from food prepared in Womyn's Chorus style, to decorative touches to set the mood. The Womyn's Chorus is still high from our better-than-we-thought-possible Pancake Breakfast and Rummage Sale – the best things to start a great day. There are several big events coming up to put in whatever hand-held device you have:

- June 12—we sing at a public event for the First Lady and Pennsylvania Council on the Arts at the Governor's residence;
- June 18 — performing at Lancaster Pride;
- July 29 and July 31— Voices United Concert at Harrisburg Pride;
- November 5 — World's Greatest Spaghetti Dinner from 4:30 to 8:30 PM. You don't want to admit that you missed this event!

Looking ahead, the Womyn's Chorus will sing with the Harrisburg Men's Chorus in a joint concert in February 2012. For now, see the Men's Chorus perform their upcoming concert, "America, Bright and Gay" on June 10, 11, 12 at Theatre Harrisburg.

The Chorus is growing and we are pleased to welcome our new singers and to welcome back former singers who just could not stay away.

You, dear audience, are our true and loyal fans and supporters. The commitment of time and energy by the singers to make their performance just right is a testament to how much you mean to us. Enjoy the show and we will see you again soon.

"I think I should have no other mortal wants,  
if I could always have plenty of music.  
It seems to infuse strength into my limbs and ideas into my brain.  
Life seems to go on without effort,  
when I am filled with music." — George Eliot
